SCCCS will continue to honor a valid request to opt out of the disclosure of a former student’s directory information made while the former student was in attendance unless the student rescinds the opt out request.

Annual Notification To Parents And Eligible Students

At the beginning of each school year, in addition to the notice required for directory information, Charter School shall provide eligible students currently in attendance and parents of students currently in attendance with a notice of their rights under the FERPA. The notice shall inform the parents and eligible students that they have the right to:

1. Inspect and review the student’s education records;
2. Seek amendment of the student’s education records that the parent or eligible student believes to be inaccurate, misleading or otherwise in violation of the student’s privacy rights;
3. Consent to disclosures of PII contained in the student’s education records, except to the extent that disclosure is permitted without prior written consent pursuant to FERPA;
4. File with the U.S. Department of Education a complaint concerning alleged failures by SCCCS to comply with the requirements of FERPA and its promulgated regulations; and
5. Request that SCCCS not release student names, addresses and telephone listings to military recruiters or institutions of higher education without prior written parental consent.

The notice must also include the following:

1. The procedure for exercising the right to inspect and review educational records;
2. The procedure for requesting amendment of records;
3. A statement that SCCCS forwards education records to other agencies or institutions that have requested the records and in which the student seeks or intends to enroll or is already enrolled so long as the disclosure is for purposes related to the student’s enrollment or transfer; and
4. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest.

Parental And Eligible Student Rights Relating To Education Records

Parents and eligible students have the right to review the student's education records. In order to do so, parents and eligible students shall submit a request to review education records in writing to the Executive Director. Within five (5) business days, SCCCS shall comply with the request.

1. Copies of Education Records

Charter School will provide copies of requested documents within five (5) business days of a written request for copies. SCCCS may charge reasonable fees for copies it provides to parents or eligible students. However, no charge shall be made for furnishing (1) up to two transcripts of former students' records or (2) up to two verifications of various records of former students. The charge will not include a fee to search for or to retrieve the education records.

2. Request for Amendment to Education Records

Following the inspection and review of a student's education record, a parent or eligible student may file a written request with the Executive Director to correct or remove any information in the student's education record that is any of the following:

- a. Inaccurate.
- b. Misleading.
- c. In violation of the privacy rights of the student.

Charter School will respond within thirty (30) days of the receipt of the request to amend. SCCCS's response will be in writing and if the request for amendment is denied, SCCCS will set forth the reason for the denial and inform the parent or eligible student of their right to a hearing challenging the content of the education record.

If the Executive Director sustains any or all of the allegations, the Executive Director must order the correction or the removal and destruction of the information. The Executive Director or designee must then inform the parent or eligible student of the amendment in writing.

3. Hearing to Challenge Education Record

If Charter School denies a parent or eligible student's request to amend an education record, the parent or eligible student may, within thirty (30) days of the denial, request in writing that the parent or eligible student be given the opportunity for a hearing to challenge the content of the student's education record on the grounds that the information contained in the education record is: inaccurate, misleading, or in violation of the privacy rights of the student.

The Board Chair may convene a hearing panel to assist in making determinations regarding educational record challenges provided that the parent has given written

consent to release information from the student's records to the members of the panel convened. The hearing panel shall consist of the following persons:

- a. The principal or designee of a public school other than the public school at which the record is on file;
- b. A certificated Charter School employee; and
- c. A parent appointed by the Executive Director or by the Board Chair, depending upon who convenes the panel.

The hearing to challenge the education record shall be held within thirty (30) days of the date of the request for a hearing. Notice of the date, time and place of the hearing will be sent by Charter School to the parent or eligible student no later than twenty (20) days before the hearing.

The principal or designee of a public school will serve as the chairman and shall not be required to use formal rules of evidence or procedure. The parent or eligible student will be given a full and fair opportunity to present evidence relevant to the issues relating to the challenge to the education record. The parent or eligible student may also, at their own expense, be assisted or represented by one or more individuals of their choice, including an attorney. The decision of the Board Chair or designee will be based solely on the evidence presented at the hearing and is final. Within thirty (30) days after the conclusion of the hearing, SCCCS's decision regarding the challenge will be made in writing and will include a summary of the evidence and the reasons for the decision.

If, as a result of the hearing, Charter School decides that the information is inaccurate, misleading, or in violation of the privacy rights of the student, it will amend the record accordingly and inform the parent or eligible student of the amendment in writing.

If, as a result of the hearing, Charter School decides that the information in the education record is not inaccurate, misleading, or in violation of the privacy rights of the student, it shall inform the parent or eligible student of the right to place a statement in the record commenting on the contested information in the record or stating why they disagree with the decision of SCCCS, or both. If SCCCS places a statement by the parent or eligible student in the education records of a student, it will maintain the statement with the contested part of the record for as long as the record is maintained and disclose the statement whenever it discloses the portion of the record to which the statement relates.

Disclosure Of Education Records And Directory Information

Charter School must have a signed and dated written consent from the parent or eligible student before releasing any non-directory information from a student's education record except as provided below. The written permission must specify the records that may be disclosed, the purpose of the disclosure and the party or class of parties to whom the disclosure may be made. When disclosure is made pursuant to written permission, the parent or eligible student may request a copy of the disclosed records and SCCCS shall provide the requestor with a copy of the

records disclosed upon request. Signed and dated written consent may include a record and signature in electronic form if it identifies and authenticates a particular person as the source of the electronic consent and indicates such person's approval of the information contained in the electronic consent.

SCCCS will only disclose PII on the condition that the receiving party not disclose the information to any party without the prior written consent of the parent or eligible student and that the receiving party use the information for the purposes for which the disclosure was made. This restriction does not apply to disclosures that fall within the disclosure exceptions listed below. SCCCS must maintain the appropriate records related to these disclosure exceptions, as described below. Except for disclosures pursuant to a warrant, judicial order or lawfully issued subpoena, or directory information or to parents or eligible students, SCCCS will inform a receiving party of the requirement that the party not disclose the information to any other party without the prior written consent of the parent or eligible student and that the receiving party use it for the purpose for which the disclosure was made. SCCCS will make a reasonable attempt to notify the parent or eligible student of the request for records via email, unless the disclosure is initiated by the parent or eligible student. Additionally, SCCCS will give the parent or eligible student, upon request, a copy of the record that was disclosed and give the parent or eligible student, upon request, an opportunity for hearing pursuant to Section (IV)(3) above;
4. Certain government officials listed in 20 U.S.C. § 1232g(b)(1) in order to carry out lawful functions;

Record Keeping Requirements

SCCCS will maintain a record of each request for access to and each disclosure of PII from the education records of each student for as long as the records are maintained. For each request, the record must include the following information: the parties who have requested or received the information and the legitimate interests the parties had in requesting or obtaining the information.

Employees who remove student cumulative records or other student records from the SCCCS premises without a legitimate educational interest and authorization may be subject to discipline.
